

BPP Enrichment Offer

Written:	September 2026
Next review due:	September 2027

Aim:

The Aim of the BPP Enrichment Offer is to provide experiences which link to our BPP curriculum, or Life skills development. The Enrichment Offer will also support the development of our 4 R Values, Respect, Responsibility, Resilience and Reflection. We strive for all our children to have a clear sense of Belonging at our BPP Schools and for all children (and parents and carers) to know that we aim to provide the very best that we can whilst the children are with us.

Our first promise is that we will strive to ensure that Enrichment Offer provides as many valuable learning opportunities that we can within your child's time at the BPP Schools.

Our second promise is that we will not ask for voluntary contributions exceeding £25 per child, per school year.

Our third promise is that we will make our offer as inclusive as possible and where adjustments can't be made, an alternative will be offered.

If any parents or carers have skills that they feel would benefit the schools' Enrichment Offer and have some time to spare, we would love to hear from you.

Key Themes of the Enrichment Offer

- **Civic engagement:** Volunteering, debating, school democracy, and community projects.
- **Arts and culture:** Live music, theatre, gallery visits, and expressive arts.
- **Nature and outdoors:** Gardening, climate education, sustainability projects, and residential.
- **Sport and physical activity:** Team and individual sports, cycling, and fitness classes.
- **Life and future skills:** STEM clubs, digital literacy, financial management, and cooking

BPP Enrichment Offer:

Civic engagement - Volunteering, debating, school democracy, and community projects.

What does this look like for my child?	How can my child access this?
Children will have the opportunity to be a classroom monitor.	Class teachers will ask children to volunteer for classroom monitor roles. These will change throughout the school year.
Children will have the opportunity to volunteer to become a School Council Representative,	In September, children who are interested in becoming a School Council Representative will put themselves forward. The class will then hold a closed ballot to select the Reps.
Children have the opportunity to volunteer around the school throughout the school year to help with jobs such as tidying the library, helping at school events or litter picking.	Opportunities will be offered as the need arises throughout the year.
Infant School Council Representatives visit the Food Bank to learn about the process, following the Harvest donations.	All children contribute to the Harvest donations. Infant School children will be able to access the Food Bank trip.
Children support local and national charities throughout the year.	Children support Comic Relief, Children in Need and a local charity each year.

Arts and culture - Live music, theatre, gallery visits, and expressive arts.

What does this look like for my child?	How can my child access this?
All Year 4 pupils will have a term of violin lessons.	This is part of our curriculum offer.
Following their initial violin lessons, children will have the opportunity to continue with violin lessons.	A letter will be sent home towards the end of the term of violin tuition. If you and your child are interested in continued lessons, the form will need to be completed and returned to school. <i>There is an individual cost for this activity.</i>
Every two years, the school invites part of an orchestra (e.g. a string quartet) to come into school and give a live performance.	All children will be invited to attend.
Children in years 4, 5 and 6 have the opportunity to go to Birmingham and join the Young Voices Concert. This is a concert that over 6000 children attend and the children must attend a choir club for one term prior, to learn all the songs and actions for the performance.	A letter is sent in the Autumn term to establish who wishes to attend. <i>There is an individual cost for this activity.</i>
Children in Years 4 to 6 have the opportunity to take part in the Dance Project. This is a production of dances which around 12 schools take part in annually. The Dance Project takes place in a Milton Keynes School one evening in March and children	A letter is sent in the Autumn term to establish who wishes to attend. <i>There is an individual cost for this activity.</i>

must attend a dance club for one term prior, to learn the two dances that they will perform.	
One year group will visit the MK Gallery each year, related to their learning in Art and Design.	One year group will be selected to visit the gallery.
All year groups from Reception to Year 6 have an opportunity to visit Milton Keynes Library in CMK.	All year groups have access to this.
Year 1 and 2 children go to Waterstones to spend their World Book Day token.	Year 1 and 2 children have access to this.
Each year, the schools may have the opportunity to visit MK theatre, or MK cinemas if there are tickets available.	According to ticket availability.

Nature and outdoors - Gardening, climate education, sustainability projects, and residentials.

What does this look like for my child?	How can my child access this?
All children will have the opportunity to have a Forest School lesson on a termly basis.	All children have access to this.
Each school will run a gardening club one term a year.	The club will be offered along with other after-school clubs as part of the after-school club process.
The BPP Schools use the Parks Trust to provide educational activities to support teaching and learning.	Year 2 and Year 5 have access to this.
Year 5 children visit Linford Wood when learning about Rainforests.	All Year 5 children have access to this.

Sport and physical activity - Team and individual sports, cycling, and fitness classes.

What does this look like for my child?	How can my child access this?
A range of sporting after-school clubs are provided each term.	Parents and Carers will receive a letter about all the after-school clubs on offer. Children will be placed in the clubs on a first come, first served basis.
The swimming pool will be at Southwood school in the Summer Term. Children will be taught about water safety and how to swim.	All children from Year 1 to Year 6 will have lessons.
Throughout the school year, KS2 children take part in Milton Keynes sporting activities such as Cross Country, Athletics and other fixtures.	KS2 Children are selected for the Cross Country and Athletics due to their sporting skills. For other fixtures, children are offered the option to attend for a variety of reasons.
KS1 children take part in the Sports Festival with local schools.	KS1 children have access to this.
Children in the Infant Schools will be offered the opportunity to learn how to ride a bike in a series of Bikeability lessons.	All children will be offered a series of lessons whilst they are at the Infant Schools.
All children participate in the Daily Mile. In the Infant Schools, this takes place on a daily basis and in	All children have access to this.

Southwood, this takes place on a Friday. The children spend the last 10 minutes walking, or running around the playground (and field when not wet) to music.	
Children in our ARPs have access to Soft play (at Germander Park) and Sensory Circuits on a daily basis.	All children in the ARPs have access to this.

Life and future skills - STEM clubs, digital literacy, financial management, and cooking

What does this look like for my child?	How can my child access this?
The schools have a Life Skills Curriculum which is taught across their life at the BPP Schools. It can be found on the schools' websites in the section on the Curriculum.	All children have access to this.
Children in KS2 receive a lesson from Santander regarding financial management.	All children in KS2 have access to this.
All children are taught how to use digital tools safely in Computing lessons.	All children have access to this.
All children have opportunities to cook as part of their curriculum.	All children have access to this.
All children are taught about the British Red Cross First Aid Champions in assemblies.	All children have access to this.
Children in Year 6 have sessions on 'Empowerment and Challenge' and 'Knife Crime'	Year 6 children have access to this.

Educational Visits and Visitors

What does this look like for my child?	How can my child access this?
Our programme of Educational Visits and Visitors enhances the life opportunities for our pupils as well as providing valuable links to our curriculum, to embed knowledge and understanding.	Educational visits take place throughout the school year. The majority of educational visits happen within the school day.
