

Southwood Extra December 2020

COVID-19 Update

This term has been very challenging for members of staff and for our families. We have had a small number of coronavirus cases now and this has affected life at school, but we have been really impressed on the whole, with children demonstrating the home learning they have done, following the Class Dojo activities created by the class teachers (don't forget that it is a Government expectation that schools provide home learning, so if your child is isolating at home, they are expected to do the work set every day, so that they don't miss out on the learning).

Winter Holidays

If a Southwood child tests positive for Coronavirus during the holidays, please still telephone the school number (01908 678366) as we will need to let families and staff know if they need to self-isolate, in order to keep their families safe.

Thank you to all our families for your resilience over this term. We are very much hopeful that life will start to get back to normal in the not too distant future, however it is likely that we will have at least one more tricky term ahead.

Christmas

These are some of the prizes for this year's Christmas Raffle. We will carry out the raffle in a similar way to the Children in Need raffle, where children can bring in £1 per raffle ticket. The money will be collected on Monday 14th December to Wednesday 16th December and each ticket will be placed in a draw which will be carried out on Wednesday 16th December at 3pm. Prizes will be given out to children in school, or parents will be telephoned if the child isn't in school on that day. (Full details of prizes will be sent out next week!).
