

Boulevard Primary Partnership - Charging and Remissions Policy

1 The Law

The Education Reform Act 1988 sets out the law on charging in all Maintained, Community, Voluntary controlled, Voluntary aided and Foundation schools. The legislation restricts the activities for which charges can be made and makes provision for the remission of charges, specifically for the provision of board and lodging costs in respect of school visits and journeys.

2 School Activities

The Governing Body approves the policy of inviting voluntary contributions from parents in support of activities organised by the school. The school will generally make up any shortfall but reserves the right to cancel the activity if there are insufficient voluntary contributions to cover the cost.

3 Breakages and Damage

Parents may be charged for the cost of repairs or damage to school property as a result of their child's misbehaviour.

4 Books/Equipment etc.

Pupils will be charged the cost of replacing damaged or lost books.
