## ASC Units

We are delighted to share some photographs of our new Units for children with Autistic Spectrum Condition at Southwood and Germander Park, helping with the high demand for children with additional needs in our local area. Over the Summer Holidays, a new outside area was created for our Germander Park Unit and our new Unit at Southwood was painted and prepared with some lovely resources.

## Beginning of term Uniform

### Reminder:

Please remember that leggings/jogging bottoms should only be worn on PE days and please make sure that children are wearing the correct shade of **emerald green** for Southwood, **red** for Downs Barn and **royal blue** for Germander Park.

## Breakfast Club

Some of you may remember that in July we asked parents and carers if they would be interested in a free Breakfast Club. Unfortunately the Local Authority haven't been able to start this scheme yet, however, our Breakfast Club is still extremely cheap at only **£1.50 per day!**

## Volunteering in School

We are always looking for people who would like to listen to readers, or join our teams at lunchtimes. Please consider volunteering in one of our schools if you think that you might like to be considered in the future for a Lunchtime Supervisor role, as a Cleaner, or as a Classroom Assistant. If you think this may be something you would be interested in, please contact the School Offices.

### Attendance for 2023 to 2024—full year:

Germander Park:	93%
Southwood:	95%
Downs Barn:	93%

## Harvest Celebrations

We'll be celebrating Harvest at the Infant Schools in special Assemblies in October —please see above fliers. We'll also be collecting donations for MK Food Bank in Southwood, Germander Park and Downs Barn from Monday 7th October.

## Educational Visits—Our Promise

Every year, our children at our BPP schools go on some amazing trips and have some great visitors in the schools too. Some examples are Year 1 going to Whipsnade Zoo, Year 2 going to London (with a boat ride on the Thames), Year 3 going to the Fitzwilliam Museum in Cambridge and Year 6 going to the Science Museum. Visitors include the Planetarium for Year 3, A Viking Visitor for Year 5 and a Fire engine with Firefighters (if they can be spared!) for Year 2. Whilst we realise that these trips can be expensive (even though we often reduce the costs using school funds), we made a commitment last year that we would make sure that we don't ask parents and carers for any more than **£20** per child for the trips for their child for the whole year. Our promise is that we will do the same this year too.
