

Germander Park, Southwood and Downs Barn Schools' Newsletter November 2025

All the enriching events so far...

We have had an eventful start to the 2025 to 2026 academic year, with many different experiences for your children to take part in, in addition to the learning that they do every day (and on top of those that were shared in the last Newsletter!). All year groups from Reception to Year 6 had the opportunity to watch a theatre company's production of *Beauty and the Beast*, Year 5 and Year 6 pupils have had moneywise sessions led by Santander, showing children how to

manage money well (Year 4 will also have these too) and all children from Reception to Year 6 will have had the opportunity to watch a film in the cinema by the end of next week.

We have also had a range of educational visits and visitors, with Year 4 visiting the Imperial War Museum in Duxford, embedding their learning about World War II, Year 5 enjoyed a Viking Visitor, to inspire their learning for their new History Topic and Year 2 pupils from both Infant schools had their trip to London, which included a trip down the River Thames, seeing all the London Landmarks that they'd been learning about. They've written some great non-chronological reports about Milton Keynes and London following their trip.

Our Cross Country Team also took part in the annual championships and we had a second place winner, Emily, in the Senior Girls, as well as a number of other high placed children—well done to all.
